ARTICLE SUMMARY

This article, *'The signs of the times: the mark of the beast is a metaphor'*, highlights and explores the largely suppressed and ignored aspect of Christianity: the persecution of Christians that has occurred throughout the “end of the age”, a time of tribulation which has already begun and is likely in its latter stages. Such circumstances and occurrences represents the importance of being able to correctly identify and verify (read) prophetic Biblical Scriptures past, present and to come, for the purpose of informing, educating and comforting faithful Christians, and those who will eventually become Christians. After all, the Lord does not put His servants to work for no reason.

REVELATIONS

Before a revelation is put forth it is important to clarify that the book of Revelation is not linear, meaning that the prophecy is not fulfilled in order. Furthermore, it is of note that (1) some of the events described are spiritual in nature and others are literal, with some spiritual matters presenting as metaphors (2) all the events do not all occur at one time, but overtime with the high likelihood of overlap between particular Scriptures and (3) the events are likely to cover different lengths of time i.e. one verse could be

fulfilled in one hour or day, and another over the course of months or years, with some already past and others ongoing – with events unable to be controlled by people, no matter how powerful anyone may be believed to be or known to be. Hence, the description of a revelation is based on (1) Christian testimony (2) the spiritual gift of wisdom which comes from the Holy Spirit, (3) the knowledge and understanding of Biblical, and therefore key Christian principles, concepts, language and terminology, which grants the ability to read the Bible correctly. This can only come from years of dedicated Biblical study and Christian practice (in the right way) i.e. expert Biblical literacy – so yes, I am the reader “who understands this” (Mark 13:14) and (4) other necessary attributes such as a matured Christian character; unyielding faith in the Lord; courage; research skills; teaching skills; the understanding why and how I received the Holy Spirit, and how to convey such important information in lay terms in a language that is understood by Babylonians, and the people of God’s heritage, Igbo’s and Biafrans:

- (1) Babylon is believed to be the city of London. Hence, what will later be referred to as the ‘Satanic league of nations’ is headed by England, and most likely includes British associated and/or established nations i.e. countries that have English heritage and/or historical ties – as these nations would have a shared interest in maintaining England’s dominion. This claim can be verified based on Biblical evidence, research, and the testimony of the anonymous source; whose identity remains anonymous for a personal reason.

- (2) Biafra is conveniently part of a nation (Nigeria) that was colonized by the British, and therefore despite the many languages spoken among its people, most can read, speak and understand the English language. More “conveniently”, The Truth was and is written by someone of Biafran (Igbo) heritage, Chinasom Uzodimma Elekwachi. Therefore, let it be known that it is Biblically correct and, therefore typical for God to initially address His heritage and other Christians through His own people, after all it is written:
 - ***Romans 2: 1-2 - ¹Then what advantage does the Jew have? Or what is the profit of circumcision? ²Much in every way! Because first of all, they were entrusted with the revelations of God.***
 - **NOTE:** the word “Jew” is only a translation label, but it refers to the people of God’s heritage.

The signs of the times, that is, the “end of the age” is identifiable through the analysis of Biblical prophecies such as Matthew 24, Mark 13, Luke 21, the Book of Revelation and their connection to real-life events such as natural disasters like earthquakes, monsoons, floods; incidences that effect food supply i.e. locust swarms and food insecurity caused by terrorist action; and increasing tensions between different countries, for example, the ongoing disputes between China, Babylon and its associated nations such as New Zealand, Australia and America (Aljazeera, 2020, BBC, 2020a, Gilliland, 2020, Vanguard, 2020b, Usher, 2020, Giles, 2020, Brady, 2020, Kassam, 2020):

- **Matthew 24:6-8** – ⁶ You will hear of wars and rumors of wars. See that you aren't troubled, for all this must happen, but the end is not yet. ⁷ For nation will rise against nation, and kingdom against kingdom; and there will be famines, plagues, and earthquakes in various places. ⁸ But all these things are the beginning of birth pains.

Hence, the “end of the age” is verifiable based on what has already happened and continues to happen, therefore, let it be known that those who triggered the “end of the age” were and are the DRIVING FORCE and CAUSE of its events and outcomes, and God is merely intervening to save those who are His, and those who repent (change). Therefore, it is in such times that God makes use of the long faithful Christians within the Body of Christ i.e. His servants who work according to His good will towards those whom He saves. Therefore, it follows that non-Christians tend to have superficial interest in, but no place in Christian endeavors, and in contrast, Christians have absolutely no interest in nor a place in the occult and its endeavors. Yet, there is still one important common interest between both groups – rousing the faithful Christian remnant who most likely know nothing about the current times (this will be explained later in the article), and the salvation of the repentant i.e. those who choose to leave occultic schemes, beliefs and practices behind and begin living a Christian lifestyle, after all it is written:

- **1 Corinthians 5:12-13** - ¹² For what do I have to do with also judging those who are outside? Don't you judge those who are within? ¹³ But those who are outside, God judges. “Put away the wicked man from among yourselves.”
 - **NOTE:** “Outside” refers to non-Christians, and “Inside” refers to Christians i.e. people who have received the Holy Spirit or those committed to receiving it. Therefore, if you are not genuinely interested in Christianity or living a Christian lifestyle then nothing that Christians do shouldn't and will never concern you.

The abovementioned needed to be said because of the ongoing events that have occurred during the time of tribulation, where many people have chosen to become the enemies of Christians and

Christian endeavors according to the will of their father, Satan - the god of the beasts mentioned in the book of Revelation chapter 13.

AN EXPLANATION OF THE MARK OF THE BEAST – A CHRISTIAN PERSPECTIVE

The mark of the beast (TMOTB) is an identifier of Satan’s children, where their actions during the time of tribulation are prophesized in the Biblical book of Revelation. However, TMOTB isn’t a physical mark, it is a metaphorical mark, and in this case a spiritual one. TMOTB not actually being a physical mark was identified based on the anonymous source’s testimony, which led to the deduction: if the events consistent with tribulation have already occurred, but no physical “mark” has been observed, then it must mean that TMOTB is a metaphor.

- **Revelation 13: 16-17** - ¹⁶He causes all, the small and the great, the rich and the poor, and the free and the slave, to be given marks on their right hands, or on their foreheads; ¹⁷and that no one would be able to buy or to sell, unless he has that mark, which is the name of the beast or the number of his name.

The “mark” on the forehead signifies an existing pact with the anti-Christ, and therefore Satanic ownership. The cause of Satanic ownership is based on a pre-existing Satanic bond that must have been established through willing participation in the occult. The occult is a general term used to describe cults and “secret” societies, which include those that also exist within some “Christian” churches. To become part of the occult it is known that a formal initiation and vow/oath must occur, therefore in the case of “Christian” church cults, “joining” the occult must be something other than regular and openly advertised church attendance or worship i.e. an initiation done in secret. This reaffirms that those with TMOTB must have already chosen to worship other gods beside Jesus before triggering the “end of the age”. Hence, by free-will those with TMOTB disqualified themselves from the faithful Christian remnant because by their own choices and actions they were unfaithful to God i.e. those with TMOTB only represent potential Christian converts, but the odds as to how many will choose to become Christian is not clear. With this, the identification of “what groups people belong to” is made clear, and is described by the “Seven churches” of the book of Revelation, which are not physical churches, but “spiritual titles” that describe different people based on their individual circumstances, and therefore, the allocations are ordained by God, the Father. Therefore, reading this article should help you identify your own spiritual title.

:::: **THE VMFCP PRESS** ::::::::::::::::::::::::::::::::::

The abovementioned reaffirms that those who worship Satan directly are his firstborn children, and therefore most likely hold the spiritual title of ‘church in pergamum’. One of its “leaders” is a false prophetess who holds the spiritual title of ‘Jezebel’, a woman who is identifiable through her Satanic teachings i.e. the ‘deep things of Satan’. It is suspected that ‘The deep things of Satan’ would most likely include partaking in occultic practices and rituals, and the use of sorcery (spiritual warfare), which is a known weapon (sword) used in the CONTINUED persecution of Christians (God’s children). It is not currently known whether the prophetess is already dead or is soon to die – but it is clear that those allocated to the ‘church in Thyatira’ face the greatest consequences due to their continued choice of actions, which appear to be deeply unsavory. Hence, the tit-for-tat style consequences faced by the unrepentant of Satan’s firstborn children. Satan’s other children, who are likely to worship lesser demons, appear to be allocated to the ‘church in Pergamum’ and the ‘church in Sardis’ (Revelation 2:12-29, 3:1-6). This reaffirms that the “end of the age” churches are based on what people choose to worship and partake in before the start of the “end of the age” i.e. the spiritual titles are fixed and cannot be changed. The only change possible is becoming Christian i.e. entering the Body of Christ, which is also known as the Kingdom of Heaven or God’s Kingdom.

This makes it clear that any future Christian converts are not and will never be counted among the ‘church in Philadelphia’, which is referenced in Revelation 7:13. It is of note that Philadelphia does not refer to a location, but its meaning which equates to “beloved” i.e. God’s most loved church. For clarities sake, if it isn’t already obvious: the creator and founder of The Visionary Method For Christian Practice (The VMFCP), The VMFCP Press, The JBEP, and the writer of this very article and all other content from The VMFCP, Chinasom Uzodimma Elekwachi, is part of the faithful church, and therefore holds the spiritual title of ‘church in Philadelphia’. The God-ordained members of the faithful church are already known and were confirmed prior to the writing of this article, which includes the woman who provided the anonymous Christian testimony– she is of Igbo (Biafran) heritage, as are the other members of the faithful church. Hence, The VMFCP simply exists to provide teachings of the Truth that is sufficient for salvation i.e. anyone has the potential to save their soul no matter what church they belong to. This highlights the importance of The VMFCP, which provides the knowledge and understanding (key) needed to become Christian (Calling: Special Edition).

The VMFCP was designed to prevent people being deceived by corrupted Christian teachings from wolves in sheep’s clothing or teachings that are not complete. “Wolves in sheep’s clothing” are

people who teach lies or corrupted teachings (heresy) solely for money and power. Incomplete teachings are taught by those who lack developed knowledge of the Truth i.e. food, which may lack depth or clarity, and provides no water, where “water” is fruitful teachings that are derived from someone with (1) the Holy Spirit and (2) the ability to produce Truthful teachings, which requires the gift of Wisdom, correct Biblical interpretation and the knowledge and understanding of Biblical concepts and how they relate to lifestyle. Hence, God, the Father, is the source of living waters i.e. the Holy Spirit (John 7:38), but a servant of the Lord is the means through which His Spirit flows or reaches others. This means that without the Holy Spirit, the correct gift (Wisdom), dedicated Biblical study and the experience of living a Christian lifestyle – a teaching will likely remain unfruitful. For example, the unauthorized/unlicensed use of The VMFCP materials renders it unholy and corrupted because it is used without acquiring permission through proper and respectable means. It is obvious that someone who would choose to not seek the proper permission of use is obviously not Christian, and is clearly not suited to instructing others if they find it difficult to act with normal human decency. Hence, God would not allow salvation to occur through unsavory and illicit means, meaning that The VMFCP will always be useless to those who misuse it, whether they are the instructor or the instructed – if this is ever the case, then perhaps ceasing to continue participating in bootleg endeavors would still make salvation possible. Therefore, let it be known that those unwilling to take the proper path are unlikely to be saved.

In contrast, there are people who make the right choices but lack the knowledge of the Truth, and this is the major problem for people allocated to the ‘church in Sardis’, who “have a reputation for being alive” but are ‘dead’ (Revelations 3:1). These people are likely to already live a Christian lifestyle, but lack the full Truth for whatever reason, and so, they have not officially entered the Body of Christ. Therefore, wolves in sheep’s clothing and ‘dead’ Christians are a big issue because people cannot be saved without the knowledge of the Truth, whether taught or learnt, as it is needed to “heal” what the Bible conveys as “blindness”:

- **Matthew 15:13-14** - ¹³But he answered, “Every plant which my heavenly Father didn’t plant will be uprooted. ¹⁴Leave them alone. They are blind guides of the blind. If the blind guide the blind, both will fall into a pit.”

The Scripture Matthew 15:13-14 basically conveys that if someone who is not Christian leads, or rather teaches or instructs people about Christian practice, then failure is inevitable for all parties because a non-Christian or ‘dead’ Christians (1) don’t know enough about the Truth (2) they cannot provide water and (3) they would lack developed expertise. Such a scenario is comparable

to the blind leading the blind, as someone that does not know (see) the Truth cannot help others “see”, and so, because such people accept lies or flawed teachings they no longer accept the Truth, which is akin to being “deaf” - and this is because they do not want to “hear”, which is to accept or listen to the Truth (and do it) because they are used to hearing convenient lies such as: “everyone goes to heaven if you give tithes”; “God will forgive you as long as you say sorry, even if you don’t really mean it”; “ if you go on a crusade God will save your soul even if you pillage, rape and murder people for fun along the way”; “there are “tricks” to receiving the Holy Spirit”, or “I can try to coerce or compel Christians to do something, and God will still give me the Holy Spirit”. In reference to the final “convenient lie”, I can assure you that the exact opposite is guaranteed – it just means you are ‘dead’ and are highly likely to remain so, which is your personal business and no one else’s.

In direct contrast, a genuine Christian will eventually hear i.e. accept the Truth and commit to living a Christian lifestyle – whether a teaching is written or spoken, as such factors have no bearing on who chooses to be Christian. Therefore, if you think that a class or sermon will save you, or that you feel time is an issue (God selects His children based on foreknowledge), then it’s likely that you are not Christian, as the actual point is to follow the advice provided, and so, it does not matter the format that instruction or guidance comes in, rather you should be happy that someone actually bothered to take the initiative needed to help save your soul, especially when no one else bothered, cared or was prepared to tell the Truth. Hence, if you actually think that the aforementioned “worldly” factors influences your fate then you are comparable to the complainers who chose not to listen to God’s commandments and died in the wilderness in the days of Exodus i.e. some people don’t want to be Christian, and so, they choose to accept convenient lies to appease your own mind and soul – which is of course their own prerogative.

Returning to the explanation of TMOTB, the “mark” on the right hand represents people’s association with, participation in, and their attempts to steal from, destroy (corrupt) or kill God’s faithful Christian remnant. As well as their involvement in the murder of Christians who were killed i.e. given over to the power of the sword. Hence, an explanation of the “beast” will help elucidate the means of how Christian persecution occurred and continues to occur.

THE REVELATION OF BABYLON AND THE BEAST – A CHRISTIAN PERSPECTIVE

A biblical analysis of the Scripture Revelation 13:11-15 will be used to provide an outline for the events that are likely to have led to people receiving TMOTB. It is of note that this part of the

Revelation prophecy relies solely on a Christian perspective and Biblical context, meaning that it is written with limited knowledge of Satanic insider activity, furthermore, The VMFCP has yet to receive any testimonies from any Christian converts that may add more perspective.

- **Revelation 13: 11-15** - ¹¹*I saw another beast coming up out of the earth. He had two horns like a lamb, and he spoke like a dragon.* ¹²*He exercises all the authority of the first beast in his presence. He makes the earth and those who dwell in it to worship the first beast, whose fatal wound was healed.* ¹³*He performs great signs, even making fire come down out of the sky to the earth in the sight of people.* ¹⁴*He deceives my own people who dwell on the earth because of the signs he was granted to do in front of the beast, saying to those who dwell on the earth that they should make an image to the beast who had the sword wound and lived.* ¹⁵*It was given to him to give breath to it, to the image of the beast, that the image of the beast should both speak, and cause as many as wouldn't worship the image of the beast to be killed.*

From the above Scriptures it is clear that the “beast” who “*had two horns like a lamb, and he spoke like a dragon*” is an anti-Christ i.e. a person who is Satan’s prophet. Where it appears that the anti-Christ is allied with the “first beast”, which appears to be a league of nations that is led by Babylon i.e. the Satanic league of nations. This can be deduced from other Scriptures from the book of Revelation which provide more context and clarity. But before that it is worth noting that the “wound” indicates that the Satanic league of nations is suffering from the effects of the sword, that is their own sword, which is a metaphor that will be explained briefly later in this article and more fully in the next article of ‘*The Signs of The Times*’ series:

- **Revelation 17: 9-14, 18** - ⁹*“Here is the mind that has wisdom. The seven heads are seven mountains on which the woman sits.* ¹⁰*They are seven kings. Five have fallen, one is, the other has not yet come. When he comes, he must continue a little while.* ¹¹*The beast that was, and is not, is himself also an eighth, and is of the seven; and goes to destruction.* ¹²*“The ten horns you saw are ten kings who have received no kingdom as yet, but they receive authority as kings with the beast for one hour.* ¹³*These have one mind, and they give their power and authority to the beast.* ¹⁴*These will war against the Lamb, and the Lamb will overcome them, for he is Lord of lords and King of kings, and those who are with him are called chosen and faithful.”...* ¹⁸*The woman you saw is the great city that rules over the kings of the earth.”*
 - **NOTE:** “Here is the mind that has wisdom” reads as “a mind with the gift of Wisdom is needed to understand and explain this information”. The gift of Wisdom is

required for an explanation because I can only explain what is presented by the Bible, as I do not have detailed knowledge of “insider” Satanic or occultic activity.

Within a biblical context, the beast is meant to represent the church of Satan a.k.a. the body of Satan, which mirrors and opposes the Body of Christ or God’s church. For example, the Lord is the Head of His Church and Christians make up the Body of Christ. The Body of Christ is protected by The Lord’s heavenly host, which is composed of a multitude of holy angels who fight on the behalf of Christians in the spirit (unseen) (Revelation 12:7-11). Therefore, by extension God’s angels are also part of His Body, as they protect Christians against the demonic forces of Satan’s kingdom, which are utilized by those with TMOTB for the purpose of spiritual warfare. As previously mentioned, the beast is Satan’s church, which is hereafter referred to as the body of Satan. The heads/mountains of the beast represent seven Satanic nations (Satanic league of nations) that are allied with Satan, and the horns/crowns represent leaders a.k.a. “kings”, who may or may not be presidents or prime ministers of the seven nations, but they could be powerful individuals or leaders from other countries who also pledged allegiance to Satan through his prophet, the anti-Christ – the “kings” may also exist in two levels, with the 7 most powerful among them ranked above 10 other “kings”. However, I do not know the identities of the 7 “kings”, and therefore, who has died or will eventually die. It also appears that the 10 “kings”, and some people belonging to the Body of Satan are prophesized to deal with their former Babylonian associates, but this is not surprising given the contents of this article (Revelation 17:15-17). The remainder of Satan’s body is made up of Satan’s subjects (people with TMOTB), who could be anyone and everyone in normal society whether famous, rich, middle-class or poor, whether they live in Babylon or any other city/nation. The woman is the great prostitute a.k.a. the mother of prostitutes, which is a metaphor for the city that has “dominion over the kings of the earth”. The city of Babylon is believed to be London, which is the head of the English Empire (Revelation 17). Furthermore, it is without a doubt that the nations who are allied with Babylon, and the city that is the great prostitute already know who they are – otherwise they would have NO REASON to persecute Christians who they seek to hold dominion (power) over forever. It is of note that Babylon probably aims to dominate and control other nations as well, as it is a known historical characteristic of its culture and people. For clarities sake, dominion is the term used to describe the God-ordained gift of being the leading world power – however, Babylon forgot that it was God who gave them dominion, and God has the power to take it away, and by choosing to deceive people and persecute Christians so mercilessly you gave God a perfectly good reason to do so.

THE REVELATION OF CAPTIVITY – A CHRISTIAN PERSPECTIVE

The revelation of captivity can be explained because of the testimony of the anonymous source, and the most recent deductions from the article, *'The Mystery of the cross 3: the corruption of Christianity'*. It is most likely that Babylon's actions were driven by Satanic foresight (divination or visions), or in this case "flawed-sight", because it is known that Satan and his demons use false prophetic visions to misdirect and sabotage those who worship them i.e. Satan's children (Flower, 2012, Elekwachi, 2020b). Therefore, it is highly likely that TMOTB pact granted the body of Satan knowledge of the future through divination practices i.e. the 'teachings of Balaam', which enabled them to strategically target and coordinate the worldwide persecution of Christians. However, Babylon and the body of Satan acted without asking (1) Why they saw a terrible future? and (2) What could be the cause of that future? However, it is clear that the body of Satan did not consider that their own choice of actions could be the CAUSE of bringing the ENTIRE WORLD into divine judgement i.e. the "end of the age". Therefore, it is obvious that the body of Satan were informed of the "end of the age" before the beginning of the time of tribulation, which they actually triggered by persecuting Christians. However, based on Biblical evidence and the anonymous source's testimony, it is clear that God made use of the resulting time of tribulation by intervening for the purpose of saving those who are His, and those who will be His – which highlights:

(1) God's foreknowledge of all things, whether they are born out of the pits of hell or the "secret" plans of the Babylonian occult. After all, it is written: *¹⁷ When I saw him, I fell at his feet like a dead man. ¹⁸ He laid his right hand on me, saying, "Don't be afraid. I am the first and the last, and the Living one. I was dead, and behold, I am alive forever and ever. Amen. I have the keys of Death and of Hades."* ~ *Revelation 1:17-18*, where "the Living one" is Jesus, who is saying that He has the ultimate power, including knowledge and understanding, over hell and death. i.e. its only God, the Father who can prevent physical and spiritual death or save (redeem) a soul.

(2) God's allowance of free-will i.e. the choices that people make determine their future. For example, it was Babylon's choice to "fight" non-hostile Christian people in the effort to maintain its dominion, but God chose to intervene on behalf of Christians, which reveals the true meaning of captivity in the book of Revelation – spiritual bondage:

- **Revelation 13: 1- 10** - *¹Then I stood on the sand of the sea. I saw a beast coming up out of the sea, having ten horns and seven heads. On his horns were ten crowns, and on his heads, blasphemous names. ² The beast which I saw was like a leopard, and his feet were like those of a bear, and his mouth like the mouth of a lion. The dragon gave him his power,*

his throne, and great authority. ³ One of his heads looked like it had been wounded fatally. His fatal wound was healed, and the whole earth marveled at the beast. ⁴ They worshiped the dragon, because he gave his authority to the beast, and they worshiped the beast, saying, "Who is like the beast? Who is able to make war with him?" ⁵ A mouth speaking great things and blasphemy was given to him. Authority to make war for forty-two months was given to him. ⁶ He opened his mouth for blasphemy against God, to blaspheme his name, and his dwelling, those who dwell in heaven. ⁷ It was given to him to make war with the saints, and to overcome them. Authority over every tribe, people, language, and nation was given to him. ⁸ All who dwell on the earth will worship him, everyone whose name has not been written from the foundation of the world in the book of life of the Lamb who has been killed. ⁹ If anyone has an ear, let him hear. ¹⁰ If anyone is to go into captivity, he will go into captivity. If anyone is to be killed with the sword, he must be killed. Here is the endurance and the faith of the saints.

Spiritual bondage is the term used to describe the use of spiritual warfare (sorcery) to oppress, afflict and torture Christian people. Throughout the time of tribulation, which is still ongoing, the body of Satan made use of spiritual warfare to try and influence, control and corrupt the Christians in captivity, with the overall intention of ruining their salvation. Below there is a very general description of the nature of persecution experienced by the anonymous source, which provide some insight into the actions of the body of Satan:

- (1) The anonymous source was shocked and confused when her persecution began, but it has been confirmed that the act done to her was the "abomination of desolation" (Mark 13:14). This act occurred in Australia and may be summarized in a future article. The anonymous source has long been identified as the woman from Revelation chapter 12, and so, let it be known that whoever you think her to be, she is not that person now. This also reveals that Babylon always knew what it was doing, and who they were persecuting.
- (2) The mode of persecution of the anonymous source was direct, yet "hidden" i.e. those who persecuted her made their hostile stance known to her through the type of spiritual affliction(s) she has had to endure to date.
- (3) The anonymous source was also witness to the persecution of a small number of the faithful Christian remnant ('church in Philadelphia') who were/are unaware of the true origin of their troubles. Their troubles were admittedly less significant than her own, as the other members of the faithful church were not directly persecuted, and God also intervened in other ways to

“keep them from the hour of trial” (Revelation 3:10). Therefore, it is likely that most of the faithful Christian remnant who are allocated to other churches also know nothing about the cause of their troubles and the current time of tribulation – so if you knew about these things through an occultic source, then you without a doubt have TMOTB.

- (4) The anonymous source reported that the body of Satan knows who doesn’t belong to them i.e. the faithful Christian remnant. In contrast, those who have TMOTB are also easily identifiable by their “ways”.
- (5) It should be reported that the anonymous sources description of her troubles minimizes the actual severity and mercilessness of the body of Satan’s actions towards her and other Christians known to her (church in Philadelphia), but this also reveals that their power was and is limited according to God’s intervention, and therefore His will - and it was His will to provide a “hedge” for the ‘church in Philadelphia’. This means that God actively protects and protected the faithful church from things such as, but not limited to physical harm or assault, death, kidnapping, the seizure of assets, and He always ensured safe travel, whether a domestic or international flight.

It is also of note that many Scriptures concerning the hardships faced by God’s servants in the tribulation (Mark 13, Matthew 10, and Luke 21) have been partially fulfilled, but in a more gentle manner because the “hedge” causes the less obvious and a more favorable fulfillment of the Word i.e. persecutors accidentally fulfilled what they were trying to avoid - and are denied the opportunity to commit more atrocities against the undeserving.

- **Revelation 3:10** - ¹⁰ *Because you kept my command to endure, I also will keep you from the hour of testing which is to come on the whole world, to test those who dwell on the earth*

Therefore, let it be known what was done and continues to be done to try and get around the “hedge” is worse, particularly because it was done with “foresight” i.e. the body of Satan already knew who would play a significant role in the Body of Christ. Overall, “the hedge” makes it clear that God’s will is forced upon Satan; which Satan enforces on his demons and prophets, the anti-Christ and the prophetess; who enforces it on his “kings”, who enforces it on the rest of his body in whatever hierarchy or structure that exists in the occult – yet there has been evidence of individual discretion amongst the body of Satan, which will be briefly discussed later in this article.

Overall, the actions of the body of Satan against the Christians in captivity can be generally and briefly summarized as follows:

- Spiritual Warfare (Sorcery)
 - Illness and injury to varying degrees
 - Trying to influence free-will
 - Spiritually mediated torture/affliction
- Invasion of privacy
- Issues at work, university or any other place.
 - The anonymous source confirms that Christians known to her have maintained their employment/income regardless of the times, yet they did have issues that were consistent with acts carried out to try and remove them from employment. However, ill-conceived schemes were insufficient to result in job loss because the Christians involved were guiltless in their circumstance, and so, God vindicated them. Nor has there been any evidence to suggest that a Christian is unable to complete a degree at university, regardless of issues that arose.
- Manipulative and false pretense – trying to hide deceitful and hostile actions and behavior by pretending to be friendly, helpful and innocent, all with the hope of causing trouble and detriment to Christians. i.e. the faithful Christian remnant still have relationships with people who are constantly betraying them and their family. Therefore, let it be known, its only because they do not know the truth yet, but when they do find out it can only be expected that relationships are likely to change i.e. end.

More interestingly, it appears that upon Biblical analysis, those who were pre-ordained for captivity will be sealed by God, which means that He will officially grant them the Holy Spirit in the near future.

- **2 Corinthians 1:21-22** - ²¹ Now he who establishes us with you in Christ and anointed us is God, ²² who also sealed us, and gave us the down payment of the Spirit in our hearts.

Hence, the faithful Christian remnant who were placed under captivity were always ordained to survive the tribulation by the authority and power of the Lord, the Most High God. Hence, the body of Satan's efforts against the captive faithful Christian remnant was and will always remain futile

– after all, captivity must eventually end. As for the anonymous source, God granted her the Holy Spirit to help her endure the effects of spiritual bondage, as the Holy Spirit actively works to counteract the effects of the “abomination of desolation”. This also reveals the meaning of God sealing the people of His heritage in Revelation 7, where many people of God’s heritage are prophesized to receive the Holy Spirit. The article ‘ *The truth of the Igbo people: The Lost Tribes of Israel*’ reveals the identity of God’s heritage associated with the “end of the age”(Elekwachi, 2020a). This identity is associated with the Igbo and Biafran people, who are directly descended from the Lost Tribes of Israel (Elekwachi, 2020a).

- **Revelations 7: 1-8** - ¹*After this, I saw four angels standing at the four corners of the earth, holding back the four winds of the earth, so that no wind would blow on the earth, or on the sea, or on any tree.* ² *I saw another angel ascend from the sunrise, having the seal of the living God. He cried with a loud voice to the four angels to whom it was given to harm the earth and the sea:* ³ *saying “Don’t harm the earth, neither the sea, nor the trees until we have sealed the bondservants of our God on their foreheads!”* ⁴ *I heard the number of those who were sealed: one-hundred and forty-four thousand from all the tribes of Israel.*
⁵ *of the tribe of Judah twelve thousand were sealed, of the tribe of Reuben twelve thousand, of the tribe of Gad twelve thousand,* ⁶ *of the tribe of Asher twelve thousand, of the tribe of Naphtali twelve thousand, of the tribe of Manasseh twelve thousand,* ⁷ *of the tribe of Simeon twelve thousand, of the tribe of Levi twelve thousand, of the tribe of Issachar twelve thousand,* ⁸ *of the tribe of Zebulun twelve thousand, of the tribe of Joseph twelve thousand, of the tribe of Benjamin twelve thousand were sealed.*

It is of note, that the number of people from God’s heritage who have been or will be sealed (receive the Holy Spirit) is likely to be much greater than 12,000 from each “tribe”, as the numbering or values in the translation of the Bible are quite inconsistent. This is revealed by the Scripture 1 Samuel 6:19, where the value of 70 is also translated to “... seventy men, fifty thousand men”, which equates to 50,070 people (Crossway, 2016):

- **1 Samuel 6:19** - ⁹*And he struck some of the men of Beth Shemesh, because they looked into Yahweh’s ark. He struck fifty thousand seventy of the men.*

Therefore, a reasonable deduction or assumption is that the number of people from God’s heritage that will be, or who have been sealed is greater than what may appear. Therefore, it is most likely that the number of 12,000 from each of the Lost Tribes of Israel is a minimum of 1.2 million people, and is actually believed to be in the range of 2 to 3 million (and most likely more)

from each tribe; as it is well known that the population of Igbo's and Biafrans is typically underestimated for political reasons. These figures are based on the complexities of Biblical prophecy that was elucidated by cross-referencing and the estimated calculation of the Igbo and Biafran population, as there is evidence of other Biafran ethnicities with links to the Lost Tribes of Israel such as the Ibibio, Efik, Ogoni, Annang, Afikpo, Umon, Yako, Abakaliki, Nembe and Arochukwu (Ogili and Israel, 2019, Elekwachi, 2020a). Furthermore, other neighboring ethnicities of the Igbo are also believed to be descended from the Lost Tribes of Israel, for example, it has long been known that the people of Edo and parts of the Delta State of the Southern region of Nigeria (South-South) were part of the Benin Kingdom, which was originally called Igodomigodo (Amenaghawon, 2018, Edo, 2008). Igodomigodo means the "land of Igodo", i.e. "area of jurisdiction [of Igodo]", which was named for and after its king, Igodo (Amenaghawon, 2018, Edo, 2008). In the Igbo language, the word "Igodo" means key, with Igodomigodo roughly translating to "key of keys" or "key of the land", which suggests a strong link between the South-South and Igbo populations, therefore inferring "Biafran" heritage, and thus, descendancy from the Ancient House of Israel.

For clarities sake, the nation of Israel holds the spiritual identity of 'Sodom and Egypt', and therefore not the Biblical "label" of Israel or Jews, nor their spiritual or literal identity. This is made clear by the Scripture Revelation chapter 11:7-8, which identifies the nation of 'Sodom and Egypt' as the land where the Lord (Jesus Christ) was crucified. It is widely known that Jesus was crucified just outside Jerusalem, which is located in present day Israel:

- **Revelation 11:7- 8** - ⁷When they have finished their testimony, the beast that comes up out of the abyss will make war with them, and overcome them, and kill them. ⁸Their dead bodies will be in the **street of the great city, which spiritually is called Sodom and Egypt, where also their Lord was crucified.**
 - **NOTE:** in this case "the beast" likely refers to demonic spirits that belong to Satan's dominion, which may fully manifest in the latter times of divine judgement.

This clearly indicates that Israel and Jewish people are no longer classified as God's heritage. The same applies to Ethiopian Jews, who like Jewish people have very weak blood ties to the Ancient House of Israel. These claims can be supported by Biblical evidence and research, and will be further explained in an upcoming Biblical History article. As for people of different ethnicities and nationalities, it is true that the Bible largely relates to the story of God's heritage, but it is the most reasonable and most likely assumption that people of other heritage have been or will be sealed. For example, it is likely that the faithful Christian remnant of any race or ethnicity would have

been allocated to the churches in Sardis, Ephesus or Laodicea, along with most people from God's heritage who are not part of the 'church in Philadelphia'. Therefore, it is hoped that translations of 'Calling : Special Edition' will be made available for non-English speaking countries – as it is without a doubt that there are many people who speak different languages who God wants to save.

A REVELATION OF THE SWORD – THE DEATH OF THE INNOCENT (CHRISTIANS)

As for the Christians given over to death by the power of the sword, only God knows why, but nonetheless it is terrible that innocent people have and may continue to die. There has been ongoing reports of great troubles faced by Christians to the extent of violent massacre, abduction, physical torture, and rape in places such as Lebanon, the Tigray region of Ethiopia, and Nigeria (BBC, 2020b, NYT et al., 2020, Vanguard, 2020a, Obianinwa, 2020, Vanguard, 2020c). In the case of Nigeria, it is clear that the aim of the Jihadist Hausa-Fulani Caliphate Government is Biafran genocide, as their TERRORIST attacks are primarily directed towards the South-South and South-East regions, which have long been established as Christian populations. Biafrans have historically opposed and CONTINUE to oppose religious violence, persecution and oppression, which is propagated by the Islamic interests of the Nigerian Federal Government (and its British supporters), who seek to do nothing but conquer the Biafran land in the name of their gods – because they know the Biafran land is both HOLY and very well resourced, and so, their inhumane and wicked efforts are not for nothing, but they will not prevail (Uche, 2008). So let it be known that the Lord, the Most High God - Chuckwuokikeabiamá, the very same God of Abraham (Abiamá), Isaac (Isiaku) and Jacob (Yako/Jiko-obi) (Akannam, 2012, Ogili and Israel, 2019), is the God of the Biafrans and all Christians, and so, as Haman plotted against Mordecai and fell before him, so the enemies of God's people will fall for the wickedness they brought upon innocent people.

The extent of the Nigerian Federal Governments inhumanity towards Biafrans was captured by the recent massacre of unarmed Biafran civilians in Obigbo (referred to as Oyigbo in popular media), Rivers State. The Obigbo massacre, which is part of an obvious genocidal campaign against Biafrans, resulted in the death of numerous innocent and unarmed civilians due to the NIGERIAN ARMED FORCES indiscriminately opening fire in a public area with the aim of killing members of the Indigenous People of Biafra (IPOB) (Obianinwa, 2020, Vanguard, 2020c). It is obvious that this attack was an ORGANIZED effort to suppress and destroy IPOB's efforts to establish the Biafran nation. However, despite all the opposition to the actualization of Biafra, it

will be established solely because it is the will of the Lord, the Most High God. For comforts sake, let it be known that although these circumstances are depressing and frustrating - these deaths are not in vain, and the Lord will avenge every drop of righteous blood that has been spilled, whether it be that of the Nigerian Federal Government and those who support them; Biafran saboteurs, who dare betray their own people; and the Fulani-Caliphate Nigerian police/military who persecute its own “citizens” – after all, the Lord is a God of justice.

Hence, this reveals that many of God’s heritage who live at home in Biafra have sadly been allocated to the ‘church in Smyrna’ (Revelations 2:8-11), which likely reflects the hardships faced by the South-South and South Eastern regions of present day Nigeria (Biafra), where Biafrans have been kidnapped, killed and physically tortured by jihadist terrorists who are supported by the Hausa-Fulani Caliphate Government. Therefore, let it be known that these deaths are not in vain, as hardship to the point of death is not a sign of being forsaken, as even these events are foretold in the Bible, and so, it is in great sadness that these events have come to pass, but by God’s Word and power, it is known that those who have fallen asleep still live on in peace far from the horrors of this world. Therefore, it should be understood that no matter how far the chain of evil reaches every person who played a part in it is guilty. For example, if a “king” gave the order to kill Christians from the “seat of Satan” to the Nigerian Federal Government, and the Nigerian Federal Government hired Miyetti Allah to act out that order, and the heads of Miyetti Allah organized and instructed its local terrorists to kill Biafrans, and the local terrorists carried out the order - then each and every one is guilty of murder. The same goes for the persecution of Christians in the manner described by the anonymous source, as such events are written of in “forgotten” Biblical books are they not? However, all it takes is individuals to make the right choice, and the chain is broken – alternatively, for people to come together to support those who actually want to make the right choice. Although, the right people are needed, as it is well known that many people with TMOTB are no help at all because of their selfish and ulterior motives associated with position, power, crowns, wealth and their own “safety” and freedom - despite their noted willingness to deprive people of their own freedom and being the very cause of no “safety”, after all, it’s only those with TMOTB who actively persecute people – is it not? So, people with TMOTB are advised to stop persecuting Christians, so that some of its own stock are actually able to find the courage needed to save their souls. Hence, because the body of Satan is the cause of its own fears, it is the body of Satan’s place to remedy this issue – no one else’s.

THE NUMBER OF THE BEAST AND MAN

The significance of the number of beast and man is made clear by the anonymous source's testimony. The anonymous source reported the general enjoyment of the relentless persecutory actions that have continued for years to date, with only very few of the body of Satan appearing to be uncomfortable with the situation by presenting as genuinely non-hostile in their choice of words, demeanor and actions. Therefore, the anonymous source's prayer and my own is the salvation of their souls above any others, simply because they showed better character and a sense of integrity, which is the sign of a redeemable soul. Therefore, there is evidence to support a degree of freewill among those who received TMOTB, and so, it can be deduced that for partaking in the persecution of Christians, many of Satan's children must have accepted monetary and material incentives.

Money and material incentives are a known benefit of cults and "secret" societies, which is the obvious reason why people join them: the love of money, which is characterized by not caring for how it is required and actively forsaking basic ethics and morals to acquire more. Therefore, although the body of Satan was required to do the work of the devil, there is clear testimonial evidence of intended discretion and discomfort of the situation by some people who received TMOTB, and so, "forced servitude" or the old Nazi favorite of "I was just following orders" was not and is not an excuse for the persecution of Christians, as any participation in persecutory efforts are compensated for. Naturally, the Bible provides cautionary Scriptures about ill-gotten money and benefits:

- **Matthew 6:24**—²⁴ *"No one can serve two masters, for either he will hate the one and love the other, or else he will be devoted to one and despise the other. You can't serve both God and Mammon.*
 - **NOTE:** Mammon is money or possessions (material wealth) that is typically linked to a form of occult worship.
- **1 Timothy 6:6-10** - ⁶*But godliness with contentment is great gain. ⁷For we brought nothing into the world, and we certainly can't carry anything out. ⁸But having food and clothing, we will be content with that. ⁹But those who are determined to be rich fall into a temptation, a snare, and many foolish and harmful lusts, such as drown men in ruin and destruction. ¹⁰For the love of money is a root of all kinds of evil. Some have been led astray from the faith in their greed, and have pierced themselves through with many sorrows.*

Therefore, by these PLANNED and CONTINUED actions against Christian people, which seem to be the acceptable “norm” among the people of the occult, it is evidence of PRE-MEDITATED evil on a large and coordinated scale. Hence, whether known or unknown, the body of Satan did the work of the devil, therefore, TMOTB is numbered 666, which is the number of the beast and man. The number 666 signifies that Satan brought about his will through the hands of his own children i.e. Satan made those who belong to his kingdom do his dirty work.

- *Revelation 13: 18 - ¹⁸Here is wisdom. He who has understanding, let him calculate the number of the beast, for it is the number of a man. His number is six hundred sixty-six.*

ARTICLE PINPOINT 1

The next article in this series is a continuation of this revelation and will discuss how the spiritual laws that govern what most people know as “karma”, or in more Biblical terms the curse of “blood guilt” and “an eye for an eye, and a tooth for a tooth”. Hence, the troubles faced around the world, such as natural disasters, disease and war is actually the consequence of Babylon’s choice of actions, which brought the ENTIRE WORLD into divine judgement. These curses are debts that Babylon and the body of Satan MUST pay because it is simply the natural order of things as (1) God will not allow the body of Satan to “appease” its demonic gods by spilling the blood of His faithful Christian remnant (2) Babylon and the body of Satan has already spilt the blood of Christians that fell by “the sword” and (3) Jesus will not forgive (cover) the sins of Babylon for obvious reasons, and the same goes for the unrepentant among the body of Satan, wherever they may live. Therefore, it is likely that the consequences of the body of Satan’s unsavory actions during the “end of the age” have already begun. After all, it is written that the beast has a “fatal wound that was healed” (Revelation 13:3). This wound is most likely self-inflicted and therefore, the effect of its own sword, which equates to losing control of whatever demonic forces were employed in Babylon’s persecution of Christians and their efforts to maintain its dominion. Hence, the “fatal wound that was healed” is most likely COVID-19 restrictions and the COVID-19 vaccine, while the word “healed” likely refers to the ‘Satanic league of nations’ (and the rest of the world) trying to stop the spread of COVID-19. The next logical question is, is the COVID-19 vaccine actually safe? This is asked because if there is a debt to pay, and the “kings” always knew it, then a vaccine may be an easy method of “conveniently” offsetting its debts i.e. putting its citizens first in line. However, let it be known that God would not allow such things to cause death to those belonging to the faithful Christian remnant, and those He has ordained to seal. Therefore, it is suspected that COVID-19 deaths are directly linked to TMOTB, as it is assumed that COVID-19 is a “cover up” for the mass deaths expected by the “kings”, who clearly consider its own subjects as nothing

more than expendable souls – however, this is exactly how such people considered Christians. In brief, in trying to sacrifice (kill) Christians and partaking in who knows what, those with TMOTB must pay with their own lives to appease their own gods, who require “blood” i.e. the “fee” for the acquisition of the power needed to cause death i.e. human sacrifice. Therefore, in trying to sacrifice fellow citizens many people have essentially sacrificed their own lives, which is most likely why the “kings” actually encouraged those with TMOTB to persecute Christians: they always wanted to offset their “blood guilt” by ensuring that their own subjects would be more worthy of death, with the presumption that they could escape divine judgement, and therefore death – but, divine judgement does not discriminate amongst the guilty.

Therefore, let it be known that God would never allowed the body of Satan to “replace” His own children, as He wouldn’t want children who think it is ok to forcibly “exchange” lives: it is evil. This topic will be further elucidated in the next article of the series. Therefore, each person in the body of Satan, especially those in Babylon, need to make a choice: repent (change) or continue on with life knowing what’s to come. Obviously, those with dependent children have an important choice to make, but it is a choice that demonstrates how much you love your own flesh and blood – it speaks volumes. The consequence of choosing not to change presents with daunting prospects for those with TMOTB, as noted by the Scripture Revelation 19:20:

- **Revelation 19:20** - ²⁰ *The beast was taken, and with him the false prophet who worked the signs in his sight, with which he deceived those who had received the mark of the beast and those who worshiped his image. These two were thrown alive into the lake of fire that burns with sulfur.*

Therefore, be reminded that ‘Calling: Special Edition’ makes it clear that you will not free yourself unless you change – it is the only way. If it wasn’t already blatantly obvious, God’s servants cannot “declare and decree” someone’s freedom from the occult i.e. dub someone Christian because they say “sorry”. Therefore, in the context of conversion and the solution provided by the Biblical story of Naaman, the Syrian – he was only pardoned because God judged him to truly be a righteous man based on his actions, choices and intentions i.e. a non-Christian who lived a Christian lifestyle. Therefore, God chose to save Naaman FOR A REASON: he was a genuinely good man – not a pretender. Hence, if you have TMOTB and are still alive, it may be that God has kept you alive for a reason, He may be giving you time to change, and so, it should be made clear that deception (that is to be deceived) is only possible when there is the absence of the Truth. By the grace of God, the knowledge and understanding of the Truth was provided by the book, ‘Calling: Special Edition’, which represents the key to the House of David a.k.a. the Body of Christ, with The

VMFCP’s other publications being designed to convey non-essential yet relevant information to further inspire true belief (faith). Hence, ‘Calling: Special Edition’ is merely the “wake up call” that may save your soul. I simply acted in good conscience in the wholehearted belief that God would use The VMFCP to bring many people into His salvation.

Hence, because access to the Truth is able to counteract deception, the Scriptucore Revelation 19:20 is only relevant for those who choose not to use the key correctly i.e. not committing to living a Christian lifestyle. Hence, those who “see” and “hear” are those who genuinely choose to make use of the “key” i.e. those who truly believe in the Lord, and in response choose to live a Christian lifestyle (but of course only by legitimate means, as God does not endorse crooked efforts). Therefore, thank the Lord, that you are able to make your own choices despite the circumstances, as the truth is that if the faithful Christian remnant was able to endure these times, so is everyone else. So, let it be made clear to any potential Christian converts: God already has faithful children – you are essentially last-minute recruits saved by God’s grace alone, but your courage and repentance is both admirable and commendable, whether you have taken the first steps to salvation or have yet to begin.

ARTICLE PINPOINT 2

It is worth mentioning that The VMFCP in the form of a self-help book is designed to “heal” a lack of independence, initiative and free thinking that seems to stem from the occult system that is caused by (1) constantly relying on defined orders from its “kings” and (2) the fear of not being on the side with the most people – for such people the story of Gideon from the book of Judges should give you courage and hope (Judges chapter 6-8). Salvation is not a numbers game, so please do not let social reasons hold you back, as the time of tribulation will not last forever. However, this highlights a major issue that is directly-linked to the prospect of salvation: the body of Satan knows what it did and does to Christians, and so, the fear of persecution is probably too much for most people to bear, even though some may want to be Christian. Therefore, the truth is that people with TMOTB need help to find the courage to save themselves because no one can be saved if they do not find courage, after all it is written in Hebrews 10:38-39: “But the righteous will live by faith. If he shrinks back, my soul has no pleasure in him.” ³⁹ But we are not of those who shrink back to destruction, but of those who have faith to the saving of the soul.”. Therefore, working out how to pastorally support the “finding of courage” amongst potential Christian converts needs to be organized and planned carefully for a number of reasons, which I have

accounted for and addressed in a draft action plan. The draft action plan may be essential to the salvation of many souls across all nations, ethnicities and peoples.

ARTICLE PINPOINT 3

The draft action plan is a call to action for Christian churches and religious communities, as it is without a doubt that they will have a large part to play in the final effort to save many souls, and this is because they have (1) resources (sufficient finances and facilities) and (2) great influence that could lead to widespread global change. In direct contrast, I have none of these i.e. “little power” (Revelation 3:8), but my expertise would prove invaluable to this suggestion: the world-wide coordination of a last stand church effort by its leaders with the aim of supporting the salvation of as many souls as possible. This would require making use of the current and established church and religious communities for the purpose of (1) pastoral support and (2) more avenues for education, particularly for people with actual sensory disabilities. This may begin with an event similar to The Council of Nicaea, but rather than introducing heresy – heresy would be removed and legitimate Christian practice and doctrine would be introduced and established.

This then facilitates the foundational reforms necessary to guide churches in the right direction, because not all churches are or will ever be the same due to (1) culture and (2) its level of progression. This is important because church leadership should reflect the progression of its assembly for the sake of comfort. For example, a genuinely repentant church leader who has TMOTB understands what other people with TMOTB are going through, therefore it is a perfect match; and in contrast a faithful church leader of a certain culture would better understand the needs of his or her faithful assembly or people. Therefore, it is the courage taken by church leaders that is imperative to this cause, as with genuine intention it would likely lead to the salvation of their soul and many others, for it is written: *let him know that he who turns a sinner from the error of his way will save a soul from death and will cover a multitude of sins.* ~ James 5:20. Therefore, regardless of whether the church leadership have all been faithful or not, the proposed efforts requires people with the right background for the sake of making the best use of time:

- Church leadership have extensive experience with pastoral endeavors and community outreach.
- Church leadership has more familiarity with the Christian faith and the Bible than a lay person.

This article is presented in the hope that it proves to be interesting, informative, and helpful to those who read it. **22**
Furthermore, that it is pleasing in the sight of the Lord, the Most High God.

- Participation in professional development should be able to sufficiently fill the gaps in knowledge of the Truth to a level expected of someone in a leadership position.
- There are other measures of efficiency that can be put in place to minimize the gap in knowledge of the Truth, and ensure its suitability to different cultures and societies:
 - a. Teachings and doctrine can be evaluated with the purpose of aligning them with the Truth.
 - b. Teaching resources that are of the Truth can be designed for the sake of efficiency.

Furthermore, it is also in the interest of governments, whether federal, state or local to back such endeavors, after all, when the King of Nineveh and his citizens repented, Nineveh was saved – and so, its important to make use of the time that is left to help save as many people and countries as possible. Hence, it is worth mentioning that having more Christians of your own heritage is what ensures the best outcomes during divine judgement, as God would naturally shield and preserve what belongs to His children. Therefore, my prayer is that the Lord blesses such endeavors for the sake of those who He will save, and also those who take the courage to help them. Therefore, it would be greatly appreciated if you send this article to your church or church leaders, as the prospect of this endeavor depends on their willingness to help, and so, if this article reaches those to whom it is intended, please contact me, Chinasom Uzodimma Elekwachi, using the email: news@vmfcp.com
